## The Transfer Process

The transfer application process is straightforward and simple. You may apply online for free at [muskingum.edu/admission/apply](https://muskingum.edu/admission/apply).

We also require a transcript from every college/university you have attended. We eventually will need official\* transcripts, but you may send us an unofficial transcript for the initial review. Please email unofficial transcripts as an attachment to [adminfo@muskingum.edu](mailto:adminfo@muskingum.edu). Request that your high school send us a final official\* transcript.

\*Official transcripts must be sent directly from the institution to Muskingum University electronically or in a sealed envelope.

This means you can complete your Bachelor's Degree in less time and focus on your major right away.

## Credit Transfer Policy

Upon admission to Muskingum, all previous college transcripts will be evaluated for potential transfer credit. Within a month of acceptance, the student will receive a Transfer Credit Evaluation indicating which classes have been transferred and the credit value for each.
