EDUCATION SUBJECT GUIDE
http://www.muskingum.edu/home/library/subject/education.html

Scope
This subject guide will assist you in researching the broad field of education. This subject guide focuses on the electronic and print resources available to you in the Library.

Subject Headings
You can generally find books about education by browsing the L section of the stacks located on the main floor to the left as you enter the building.

You can also use the terms below to do a subject search in the Muskingum Library or OhioLINK catalogs.

- Comparative education
- Curriculum planning
- Education – History
- Education – Philosophy
- Educational law and legislation
- Educational planning
- Learning, Psychology
- Minorities – Education
- Multicultural education
- Physical education and training
- School management and organization
- Special education

Databases
Research Databases
Education Abstracts
Index and abstracts covering contemporary education issues. Includes or has links to full text. http://mu.opal-libraries.org/login?url=http://rave.ohiolink.edu/databases/login/edua

ERIC

LearningExpress Library
Online, interactive practice tests, career building tools, and writing aids. You can create an account to track and save your progress in the tests. http://www.learningexpresslibrary.com/

Professional Development Collection (Educators)

Social Sciences Citation Index (ISI Web of Science)
Databases available to all Ohio K-12 students/teachers through INFOhio
http://www.infohio.org/

Kids Search (Grades K-5)
A new interface from EBSCO, designed for students in grades K-5. Searches the following EBSCO databases: EBSCO Animals, Funk & Wagnalls New World Encyclopedia, Middle Search Plus, Newspaper Source, Primary Search, TOPIcsearch, Academic Search Premier, ERIC, and Professional Development Collection.

Student Resource Center (Grades 6-12)

Satellite images of Ohio, taken every 16 days.
http://worlddmc.ohiolink.edu/GEO/LS7/

MAS Ultra: School Edition (for high school students)
Index, abstracts, and full text for popular high school magazines. Includes or has links to full text.

Middle Search Plus (for middle school students)
Index, abstracts, and full text for popular middle school magazines. Includes or has links to full text.

Oxford Reference Online
Full text of over 100 dictionaries, general reference, language reference, and subject reference works from Oxford University Press. Includes or has links to full text.

Primary Search (for elementary school students)
Index, abstracts, and full text for popular elementary school magazines. Includes or has links to full text.

Sanborn Digital Maps

Searchasaurus (for elementary and middle school students)
Graphical interface for elementary and middle school students. Includes or has links to full text.

World Data Analyst Online
Detailed statistical comparisons of countries across the world.

Selected Reference Resources
Print Reference

This book will give you an understanding of the quality of education at the national, state, and county level through comparative statistics.
**Encyclopedia of Children and Childhood: in History and Society** (REF HQ767.84 .E53 2003)
This three volume set contains 445 articles that vary in length from 500 to 5,000 words and cover topics in such broad areas as history, social sciences, literature, medicine, and law as they relate to the history of childhood and children.

The 20 volume second edition is the primary reference resource for exploring the discipline of Education. Includes over 850 articles with bibliographies for further research.

Summarizes the research on educational topics. Useful “List of Articles” at the beginning of the first volume, lengthy bibliography.

Articles with bibliographies on all aspects of education practice and research with an international perspective.

**Educational Media and Technology Yearbook** (REF LB1028.3 .E37)
Annual source for the latest developments in educational technology.

**Encyclopedia of Special Education: a reference for the education of the handicapped and other exceptional children and adults** (REF LC4007 .E53 2000)
Comprehensive coverage of special education in an understandable, usable, summative form.

**Handbook of Sport Psychology** (REF GV706.4 .H37 2001)
Resource for sport psychologists and students, coaches and athletes. Combines theoretical explanation and practical applications and emphasizes the value of basic and applied research to practice.

**The Yearbook of Education Law.** (KF4102.5 .Y42) in the circulating collection.
Contains analyses of the previous year’s federal and state court decisions that affect private and public elementary and secondary schools and higher education.

Statistical Sources

Condition of Education
Uses key "indicators" to measure the "health of education" in six areas such as achievement, economic outcomes, size or diversity; preschool - post secondary. Past editions shelved in Government Publication compact shelving at ED 1.109.
http://nces.ed.gov/programs/coe/

Digest of Education Statistics
Statistical data from government and private sectors, including federal funds for education, employment and income of graduates; preschool-post secondary. Past editions shelved in Government Publication compact shelving at ED 1.326:995.
http://nces.ed.gov/programs/digest/
NCES Search for Schools, Colleges, and Libraries
Allows you to search by state, city, zip codes, and name for public schools, private schools, colleges, and libraries. Information about schools includes name, address, locale, number of teachers and students, enrollment by race, enrollment by grade, and more.  http://nces.ed.gov/globallocator/

Projections of Education Statistics

Getting Help
- You can call the library at (740) 826-8152.
- You can ask a question on-line 24 hours a day by using OhioLINK’s Chat with a Librarian service by going to http://chat.ohiolink.edu
- You can email us at library@muskingum.edu
- Stop by the Reference Desk in the Library
- Read the FAQs and other help pages on the Library’s web site at http://www.muskingum.edu/home/library/help/index.html
