How Affordable is Muskingum?

For nearly 80 percent of entering first-year students, the cost to attend Muskingum – after scholarships and grants – is less than the charges at a four-year Ohio public university as a full-time, in-state residential student. To help you appreciate just how affordable Muskingum can be, we offer two tools to help you estimate your costs.

The Muskingum Commitment estimates the total gift assistance and financial aid you may expect to receive as a first-year student based upon your high school GPA, ACT/SAT scores, and total family income. Our Net Price Calculator provides a more accurate assessment of your financial aid eligibility using information similar to the FAFSA.

Both the Muskingum Commitment and Net Price Calculator are available online at: www.muskingum.edu/financialaid/commitnpc.html.

2016/17 ACADEMIC YEAR COSTS

Tuition	\$ 26,200
Room and Board	10,650
Fees	1,140
TOTAL	\$ 37,990

Residential Life

Residential life is an important part of the Muskingum experience. More than 90 percent of Muskingum undergraduates live on campus or in the village of New Concord.

New to Muskingum in 2016 is the creation of the First-Year Community. First-year students will be housed on the West Hill in Thomas Hall, Memorial Hall, or Moore Hall. This is an exciting opportunity for you to live together in a community with other freshmen during your first year of college. Housing options include:

TRADITIONAL RESIDENCE HALLS... which are either single-gender or co-ed by floor; feature lounges, computer labs, laundry facilities, air conditioning, wireless network, and cable access.

APARTMENT-STYLE TOWNHOUSES... where six students share a two-floor, three-bedroom unit with a living room,

kitchenette, and two bathrooms.

LAKESIDE HOUSES... where groups of up to six students share a residential house located on campus.

FRATERNITY/SORORITY/SOCIAL CLUB HOUSING... for sophomore, junior, and senior students who want to live with members of their social club.

Campus Groups

Muskingum is home to more than 90 campus groups, including varsity athletics, honor societies, music, and religious organizations. Many, like our radio and TV stations and award-winning student newspaper, give you the opportunity to develop career skills – and have fun at the same time. Whether you are interested in theatre, music, politics, or the environment, you will find the opportunities at Muskingum are endless.
