Guidelines: Sponsored by the Alumni Council, the awards are conferred sparingly and thoughtfully only upon persons who have achieved distinction in a field involving full use of the person’s creative powers, both intellectually and aesthetically, keeping foremost in mind in all cases that the recipient’s accomplishments should clearly reflect significant service to humankind, so that the conferring of such an award will always accentuate and extend the values associated with Muskingum University. Any living Muskingum graduate or former student is eligible to receive this award.

Nominations must be submitted by Muskingum alumni. We accept nominations year round, but review nominations each fall for the following year’s recipients. The awards are presented each year during Alumni Weekend festivities. Since not all those nominated will be selected, the Alumni Council asks that you keep your nomination confidential.

List the reasons why this person should be considered for a Distinguished Service Award. Attach as much additional information as you wish.
