8. PHYSICIAN RECOMMENDATIONS

Never give or allow anyone to give or administer a dose of this drug to a person who is overdose, or a person suffering from alcohol or other drug intoxication. If a patient shows signs of over use or misuse, recommend professional medical care.

7. HANDLING AND STORAGE

Store in a cool, dry place away from direct sunlight and strong light. Keep out of reach of children. Do not mix with other substances. Use with caution and follow the instructions included with the product.

6. ACCIDENTAL RELEASE MEASURES

If swallowed, call a Poison Control Center. Do not induce vomiting. If swallowed, call a Poison Control Center. Do not induce vomiting. If swallowed, call a Poison Control Center. Do not induce vomiting.

5. PRECAUTIONARY MEASURES

This product is for professional use only. Do not use for personal use. If you are unsure of the product, consult a professional. Do not use on any other than the intended application. Do not use on any other than the intended application. Do not use on any other than the intended application.

4. FIRST AID MEASURES

If swallowed, call a Poison Control Center. Do not induce vomiting. If swallowed, call a Poison Control Center. Do not induce vomiting. If swallowed, call a Poison Control Center. Do not induce vomiting.

14. Disclaimers

The information in this Material Safety Data Sheet is provided as a service and is intended to be used for general information purposes only. It is not a substitute for professional advice. The user assumes full responsibility for any use or misuse of the information contained herein. The manufacturer cannot be held responsible for any loss, damage, or injury that may result from the use of or reliance on the information provided.
1.3 Regulatory Information

1.4 Transport Information

1.5 Disposal Information

If exposure occurs, wash affected area with soap and water. If irritation continues, consult a physician.

In case of contact with eyes, rinse immediately with plenty of water for 15 minutes. Seek medical advice if irritation persists. If inhaled, move to fresh air. If not breathing, give artificial respiration. If unconscious, transport to hospital.

In case of fire, use water, dry chemical, carbon dioxide, or foam-type extinguisher. Avoid wind. Avoid breathing smoke. Call 911.

Do not incinerate. Burn or explode. Do not use equipment or containers filled with the material. Do not mix with other materials. Do not contaminate. Do not recondition.

109-77-0

1.6 Other Information

Chemical Name: 4-Chloro-2,5-dimethylphenol

CAS No.: 71-50-2

1.7 Handling and Storage

Store in a cool, dry place. Keep away from heat, sparks, and open flames. Do not expose to darkness. Do not store with incompatible materials. Use only in well-ventilated areas.

1.8 Physical and Chemical Properties

Appearance: Clear, colorless liquid.

Odor: Pungent.

Flammability: Flammable.

Hazard Summary: Skin irritation, respiratory irritation, eye irritation.

1.9 Hazardous Ingredients

4-Chloro-2,5-dimethylphenol (CAS No. 109-77-0)

1.10 GHS Information

Hazard Categories:

Environmental A

1.11 Exemptions

Exempt from the provisions of Parts 170-172 of title 49 of the Code of Federal Regulations.

1.12 Regulatory Information

1.13 Labeling Information

Signal Word: DANGER

Signal Phrase: Fatal if swallowed. Harmful if inhaled. Harmful if swallowed or inhaled. Do not breathe dust, fumes, or vapors. Avoid contact with skin and eyes. Keep out of reach of children.

1.14 Compatibility Information

Compatible Solvents: Water, alcohols, ketones, esters, ethers, hydrocarbons.

Incompatible Materials: Acids, amides, amines, anhydrides, chlorinated solvents, esters, ketones, hydrocarbons, peroxides.

1.15 Physical and Chemical Properties

Appearance: Clear, colorless liquid.

Odor: Pungent.

Flammability: Flammable.

Hazard Summary: Skin irritation, respiratory irritation, eye irritation.

1.16 Hazardous Ingredients

4-Chloro-2,5-dimethylphenol (CAS No. 109-77-0)

1.17 GHS Information

Hazard Categories:

Environmental A

1.18 Exemptions

Exempt from the provisions of Parts 170-172 of title 49 of the Code of Federal Regulations.

1.19 Regulatory Information

1.20 Labeling Information

Signal Word: DANGER

Signal Phrase: Fatal if swallowed. Harmful if inhaled. Harmful if swallowed or inhaled. Do not breathe dust, fumes, or vapors. Avoid contact with skin and eyes. Keep out of reach of children.

1.21 Compatibility Information

Compatible Solvents: Water, alcohols, ketones, esters, ethers, hydrocarbons.

Incompatible Materials: Acids, amides, amines, anhydrides, chlorinated solvents, esters, ketones, hydrocarbons, peroxides.
