Art Scholarship

The Art Department at Muskingum University offers student instruction in several areas, including drawing and painting using oil, crayon, water color and china paints; ceramics; sculpture; and computer graphic design. The variety of media and ways of thinking about expression and creativity are supported by art history, art education and studio work. Exhibitions at the Palmer Gallery on campus and field trips to art centers and museums in the region contribute to the student’s educational experience.

The Muskingum University Art Scholarship is awarded to students who demonstrate outstanding talent and potential through their portfolios. The value of the Art Scholarship is either $1,000 or $1,500 annually, renewable for up to four years of study at Muskingum. Upon determination of the scholarship, the award amount is credited directly to the student’s account each semester. A student must make satisfactory academic progress toward a degree to renew the scholarship.

To be considered for the Art Scholarship, a student must:

1. Be admitted to Muskingum University as a full-time student.
2. Present a portfolio of art works for review by the Muskingum University art faculty.

To maintain eligibility, a student must:

1. Enroll in a minimum of one art course per semester.
2. Maintain a minimum of a 3.0 grade point average on a 4.0 scale within art courses and a 2.5 average in all college course work.
3. Submit a portfolio for annual review, showing recent work only.

Portfolio reviews must be conducted by March 1 of your senior year. Portfolio reviews will be arranged individually throughout the year, or may be conducted on any of the Scholarship Days, for qualified students participating in the Admission Department’s Academic Scholarship Program on campus.

Students may qualify for more than one type of non need-based financial aid, though limitations are placed on the total amount of Muskingum-funded non need-based assistance a student may receive. These limits are outlined in provisions which accompany all scholarships and financial aid awards. Recipients of full-tuition scholarships or remissions may be recognized as Art Scholars, although no additional monies result.

Applicants who qualify for need-based financial aid may be eligible for assistance beyond the level of the Art Scholarship and other non-need based awards. Students planning to apply for need-based assistance should file the Free Application for Federal Student Aid (FAFSA) between January 1 and March 15 of their senior year.

We are pleased to know of your interest in Muskingum University, and hope you choose to explore the opportunities for academic and personal growth available at Muskingum. To schedule your portfolio review, please contact Professor Ken McCollum (email: kenm@muskingum.edu), or call the Admission Office at 800-752-6082.
