MUSKINGUM COLLEGE  
Curriculum Committee minutes  
April 12\textsuperscript{th}, 2007

3:30 p.m., Caldwell Hall 350

1. Approved minutes of March 22\textsuperscript{nd} meeting.

2. Approved amended agenda of April 12\textsuperscript{th} meeting.

3. Discussed Science Division’s request to “write a procedure for the approval and implementation of new programs and their curriculum.” This discussion will be continued next year.

4. Discussed briefly teaching load equity (c.f. **Bylaw V. Workload and Duties). This discussion will be continued next year.

5. Unanimously received and acknowledged request from Education department to:
   a. Change the description of EDUC 335: Educational Technology (3 credits)
   b. Change the description of EDUC 370: Phonics and the Process of Reading (3 credits)

6. Considered clarifying the Credit by Examination policy in the Course Catalog (p. 51). Recommended adding “with approval of department” and “see special fees” to catalog description.

7. Postponed, pending consideration by divisions, discussion of potential Learning Objectives for the proposed 4\textsuperscript{th} Goal for Student Learning in the LAE: Goal 4: 
   **Muskingum students will demonstrate knowledge of physical wellness and of ethical and spiritual concepts. [Revised 4/17/07]**

   \textit{Learning Objectives:} (To be presented to Faculty -September 2007)
   \begin{itemize}
   \item i. Students will demonstrate understanding and application for specific principles and practices that promote physical wellness.
   \item ii. Students will demonstrate the ability to assess critically ethical and moral issues in contemporary society.
   \item iii. Students will be able to describe the distinguishing traits of a religious belief system.
   \end{itemize}

8. Discussed briefly the potential for Electronic Faculty Forum.
