1. Approved minutes of October 18th meeting.

2. Approved agenda of November 1st meeting. Members discussed reducing the number of items placed on the agenda for which no specific action is requested.

3. Unanimously received a request from the Art department to expand the allowable electives for the Art major.

4. Approved by a vote of 4 supporting, 0 against, 3 abstaining to:
   a. Add BIOL 1XX: Anatomy and Physiology I (4 credits) to the permanent offerings.
   b. Add BIOL 1XX: Anatomy and Physiology II (4 credits) to the permanent offerings.

5. Unanimously approved the following:
   a. Drop BIOL 228: Human Anatomy (3 credits) from the permanent offerings.
   b. Drop BIOL 129: Physiology of Exercise (3 credits) from the permanent offerings.
   c. Adjust the Biology major to reflect the changes in 4 a-b and 5 a-b above.

6. Unanimously approved the request to remove PSYC 151: General and Experimental Psychology from the Scientific Understanding category of the LAE.

7. Received updates on division discussions regarding the Learning Objectives for Goal 4 which states: “Muskingum students will demonstrate knowledge of physical wellness and of ethical and spiritual concepts.” The CC adjusted and recommends for faculty approval the following Learning Objectives for Goal # 4:
   a. Students will demonstrate an ability to understand and apply specific principles and practices that promote physical wellness.
   b. Students will demonstrate an ability to assess critically ethical and moral issues in society.
   c. Students will demonstrate an ability to describe the distinguishing traits of a religious belief system.

8. The student representative reported that meetings to discuss the Student Senate proposal to adjust the LAE “Achieving Wellness” requirement were yet to be scheduled with the relevant Education Department faculty.

9. Jean Morris reported that the subcommittee formed to discuss the 40 hour rule was taking a proposal to the Divisions prior to discussing the proposal in the full Curriculum Committee.
10. Committee members recommended that before the “approval process for faculty- or staff-led study abroad programs” was discussed, additional information should be distributed to the CC members regarding the current approval process.

11. Received revised Faculty Teaching Load Report.
