Learning Objectives for IDIS 100: First Year Seminar

1. By November 1st, students will write a self-evaluation of their academic progress based on their How’s it Going Report and their Early Assessment grades.

2. Students will develop, in consultation with their First Year Seminar instructor, a four-year plan of study which will include completion of the Liberal Arts Essentials (LAE), an intended or possible major and all other requirements for graduation.

3. Students will demonstrate in class (in writing or orally) an awareness and understanding of Muskingum’s history related to at least one of the four major themes found in the text, Muskingum College:
   a. Student Life
   b. Christian Idealism
   c. Muskingum College in the Wider World
   d. Leadership

4. Students will demonstrate the ability to use successfully the following campus communication tools:
   a. Muskingum Email
   b. Muskie Link
   c. Ohio Link
