Notification
Awards will be announced in mid-March. All participants will be notified of the results.

Science & Performance Scholarships
Outstanding students planning to pursue a degree in the Science Division at Muskingum may apply for a Science Scholarship of $1,000-2,000 per year.

Students demonstrating outstanding aptitude in art, digital media design, journalism, music, speech (forensics or broadcasting), or theatre may pursue performance scholarships in those areas. Annual performance awards range from $500-2,000 in music and from $500-1,500 in the other areas. Selection is made by the respective departments, and performance awards require an audition or portfolio review.

Need-Based Financial Aid
Muskingum’s largest commitment of financial aid resources is made to students demonstrating financial need. Eligible students may receive need-based assistance in addition to merit awards. Students wishing to apply for need-based assistance must file the Free Application for Federal Student Aid no later than March 15, 2009.

While scholarship assistance must be considered as a financial resource in the aid package, the gift aid percentage in financial aid packages of scholarship recipients will be higher than that of non-scholarship recipients with similar need.
Testing Dates

- Saturday, January 31, 2009
- Saturday, February 7, 2009
- Saturday, February 14, 2009

Eligibility
To participate in the Scholarship Program, students must apply for admission to Muskingum College prior to the test date, and qualify for an academic scholarship based on their high school performance. If you need an application, please check the box on the registration form below, or go to www.muskingum.edu.

Awards
Merit-based academic awards for incoming students fall into one of the following categories:
- John Glenn Scholarships (full tuition)
- Presidential Scholarships ($10,000-$13,000)
- Faculty Scholarships ($7,000-$9,500)
- Special Acknowledgment Awards ($4,000-$6,000)

An initial academic scholarship is awarded at the time a qualified student is accepted for admission to Muskingum. This base scholarship is determined by the high school record, curriculum and ACT/SAT scores. Performance in the Scholarship Program can possibly enhance, but not decrease, the amount of the initial scholarship. Participation is required for students vying for the John Glenn Scholarship.

How to Participate
Students interested in Muskingum’s Scholarship Program should register for the Program at least one week prior to the selected test date by returning the card below, by registering online at www.muskingum.edu, or by calling 1-800-752-6082. Additional information will be mailed confirming your registration.

Selection Criteria
Participation in the Scholarship Program is an important consideration for all scholarships and is required for the John Glenn Scholarship. Selection is based on:
1. Secondary school record including courses, grades and class rank
2. Performance on the Scholarship Program examination
3. A personal interview on the day of the program
4. Results of the ACT or SAT test

REGISTRATION FORM

Please register me for the Scholarship Program:
- Saturday, January 31
- Saturday, February 7
- Saturday, February 14
- I’d also like to interview for a Science Scholarship.
- Please send an Application for Admission.

Name 
Telephone ( )
Street Address
City/State/Zip
High School 
Class Rank GPA
Academic Interest(s) 
No. of Persons Attending

In addition to participating in the Academic Scholarship Program, I am interested in auditioning for the following performance scholarships:
- Art
- Digital Media Design
- Music
- Speech/Forensics
- Journalism
- Theatre

Please send information on the following awards, scholarships and grants:
- Art Awards
- Music Awards
- Alumni Grant
- Journalism
- Speech/Forensics
- Theatre Awards
- Presbyterian Grant
- Science Division Scholarships
