Muskingum College

DONOR REPORT

JULY 1, 2000 - JUNE 30, 2001

Dear Alumni and Friends:

On behalf of the entire Muskingum College community, I extend our sincere gratitude to you—the supporters of this institution—for your extraordinary generosity during the past year. Your commitment ensures that we preserve our tradition of academic excellence while simultaneously developing and expanding the opportunities available to our students and faculty. You are making a difference at Muskingum College!

The past year was characterized by a sense of energy and momentum. Applications for admission to the College continued to grow and we attracted a very high caliber of student. To educate these talented students, we recruited and retained the finest faculty members. Muskingum vastly expanded its information technology network and unveiled new facilities for fitness and recreation—with both initiatives adding important dimensions to students' collegiate experience. Our co-curricular programming continued to enrich the academic life of campus and one of these programs—the softball team—captured the College's first NCAA championship.

Also, during the past year, the College closed the landmark estate gift from trustee and member of the Class of 1943, Dr. Walter Chess. Dr. Chess' unrestricted \$4.7 million gift reflects his optimism regarding the enduring distinction of the Muskingum education. This gift tolled a new era of giving to Muskingum and provides the finest example of loyalty to our current students.

You—our dedicated alumni and friends—made each of these initiatives and achievements possible. Your support is directly responsible for the excellent education we are able to provide to today's Muskingum student.

As we build upon the momentum of the past year, we appreciate your steadfast support of Muskingum College, as well as your commitment to ensuring that we sustain educational excellence. Students, alumni, parents and friends—thank you for your loyalty and generosity.

Board of Trustees

Dear Alumni and Friends:

As the College closes its 2000-2001 year, I am very pleased to report that—with your tremendous support—Muskingum continues to grow in strength and vitality. During the last year, your support ensured that Muskingum exceeded its \$1 million Annual Fund goal—a goal that allows the College to continually offer the finest curricular and co-curricular opportunities to its students. Also in this year, Muskingum closed the \$4.7 million unrestricted estate gift from long-time trustee, Dr. Walter K. Chess '43. While we continue to mourn the loss of our friend and counselor, we celebrate Dr. Chess' extraordinary confidence in the constancy and excellence of our learning community. Dr. Chess' generosity will be appreciated for many generations.

Muskingum College received another meaningful endorsement this past year—an endorsement of support from the alumni participating in class giving initiatives. Last June, the 50th reunion class (Class of 1951) achieved the highest class-giving rate for a golden anniversary gift—almost 70%. Likewise, the senior class (Class of 2001) left the College with a gift that saw 70% of its class members participating. These percentages are truly exceptional and they express a deep allegiance to the educational legacy of Muskingum College. It is this dedication that unites alumni and friends—from age 21 to age 71 and beyond—in a common purpose.

It is always difficult to find the right words of appreciation for all that alumni, students, parents and friends do for Muskingum College. Nonetheless, I hope that you will accept the sincerity of a heartfelt “thank you” from this community for your generosity and your dedication. I know that I speak on behalf of everyone at the College in expressing our hope that we can work together in the future to support the continued success of Muskingum.

Walter K. Chess, M.D., '43

Landmark Gift for Muskingum College

During this year, Muskingum College closed the nearly \$5 million estate gift from long-time trustee, Dr. Walter K. Chess '43. "This landmark gift reflects the Chess Family's intense dedication to the educational legacy of Muskingum as well as its tremendous confidence in the future vitality of this College," noted Chairman of Board of Trustees, Harold ("Hal") Burlingame '62. "Dr. Chess' wisdom and guidance have been deeply missed by the Board, but we are honored by his unwavering conviction that a Muskingum education is the most valuable of assets," continued Burlingame.

Dr. Chess, a 1943 graduate of Muskingum, was a member of the College's Board of Trustees for more than 25 years and a loyal and dedicated alumnus since his graduation. In 1994, he established the East Muskingum/Muskingum College Educational Trust—a fund that has allowed dozens of students from East Muskingum High School pursue baccalaureate degrees at Muskingum College. A native of New Concord, Ohio, Dr. Chess maintained a general medical practice in his hometown and served as the much-loved physician for hundreds of families in the region.

"For decades, Dr. Chess and Muskingum College have shared a wonderful bond," noted President Anne Steele. "As a student, as an alumnus, and as a trustee, Dr. Chess helped preserve and expand Muskingum's proud educational legacy. Through his gift, Dr. Chess' fundamental impact will endure," explained President Steele.

Dr. Chess is survived by his wife, Marcia, his children Walter ("Bud") Chess, Jr., Robert Chess, Ann Chess, and Nancy Chess Felde. "I know that the entire Muskingum College community joins me in thanking the Chess Family for their tremendous generosity and their steadfast commitment to the future well-being of this institution," concluded President Steele.

OFIC

Muskingum College is a member of the Ohio Foundation of Independent College together with 34 other Ohio independent colleges and universities. Founded in 1950, OFIC makes annual group solicitations to Ohio's corporations and foundations on behalf of its members for unrestricted operations monies. Approximately \$100 million has been generated and distributed to OFIC members during its history. Since 1950, Muskingum College has received more than \$2.5 million. It received over \$80,000 in 2000-2001. A special thank you goes to those 1,200 corporations and foundations who annually support Muskingum and the other independent colleges of Ohio.

Dear Alumni and Friends:

As the President of Student Senate, I bring to you the thanks of the 1,515 students enrolled at Muskingum College today. Your generous support of Muskingum (past, present and future) provides incredible opportunities to my fellow students and me. To us, Muskingum is much more than just a college. It is a community. Your gift to us, made possible by your support of our *alma mater*, is this special community.

Like many students at Muskingum, this community has changed my life in profound ways. This College doesn't just speak about a commitment to opportunities for all, but demonstrates this commitment by reaching out to individuals from all walks of life. I will be the first person in my mother's or my father's families to graduate from college. You and Muskingum have given me the opportunity to succeed and become whatever I dream to be. For that, I thank all of you.

Your example of leadership and your commitment to Muskingum are inspirations for the entire student body. I think I speak on behalf of my fellow students in expressing our hope that, some day, we can continue your tradition of supporting Muskingum. Thank you for all that you do for us.
