Photography
During the Commencement, we request that you do not move from your seat to take pictures. A representative from Bruce Heflin Photography will photograph graduates as they receive their diplomas. Following graduation, each student will receive information on ordering a Commencement Package. You can view the Heflin Photography website at: www.mypicturesnow.com.

Please note that no photography is allowed during the Baccalaureate Service. Your cooperation is appreciated.

Ticket Information
Each graduating senior will be allotted a maximum of 8 tickets, for bleacher seating. Please discuss with your student the number of tickets that will be needed. Anyone requiring a seat, no matter how young, will need a ticket. Additional tickets, if available, will be distributed to the students at rehearsal on Friday, May 4th on a first come, first served basis.

On the day of Graduation, Brown Chapel doors will open at 9 a.m. for Baccalaureate. No tickets are needed for the 10 a.m. service.

For Commencement, the doors of the Recreation Center will open at 12:30 p.m. and only those holding tickets will be permitted to be seated in the Recreation Center. After 1 p.m., open seating is available and ticket holders lose their priority.

We have limited wheelchair/handicap seating available. Due to limited space, only one other guest may accompany the person seated in this area. Guests in this area must also have a ticket to be seated beginning at 12:30 p.m. After 1 p.m., ticket holders lose their priority.

Families with small children may find it more comfortable to watch Commencement on television in one of our remote locations. The VIP Lounge of the Recreation Center, the Bottom of the Quad Center, and Boyd Science Center, Room #343, are all available for viewing. No tickets will be needed for any of these locations.
