GRADUATE FIELD EXPERIENCE
COOPERATING TEACHER DOCUMENTATION

FOR ALL GRADUATE STUDENTS COMPLETING FIELD EXPERIENCE

In order to better ensure a quality field experience, please be aware that any “cooperating teachers” for field experience must meet the following qualifications:

• be fully certified/licensed in his/her teaching field
• hold at least a Provisional, equivalent, or higher license/certification
• have at least 1 year of experience in his/her certified/licensed field
• Field Experience MAY NOT be completed with a teacher holding any type of substitute, conditional, temporary or alternative license for the field in which they are teaching.

The cooperating teacher(s) for all field experiences for this class must be documented in the space below. The completed sheet must be submitted to your class professor. Field Experiences will be subject to spot checks/confirmation to ensure that cooperating teachers meet the above qualifications. If it is found that a field experience has been completed in an unqualified setting, the hours will need to be redone.

Please complete the following information for EACH placement/classroom in which you are completing Field Experience FOR THIS PARTICULAR CLASS.
