Dear Su,

SuperFantastico is happy to offer you a place in our summer internship program this year. I am writing to confirm our offer and your acceptance to join us in the capacity of International Intern Extraordinaire.

As we discussed, your work would begin on June 1st, 2008 and end not later than August 15th, 2008. Your salary would be \$900 biweekly and you will be working 30 hours per week under the supervision of Nurse Ratchett.

Before beginning work, you must prove your legal eligibility to work in the United States and provide us your Social Security Number or the evidence that you have applied for the number. Please contact the Human Resources Department at (614) 555-1234 to make arrangements to complete this requirement. You cannot start work until Human Resources notifies us that you have completed this prerequisite.

I am looking forward to working with you. We are confident that your work will help us move forward in the areas we discussed for your assignment.

Sincerely,

Ve Rey Important
Internship Coordinator
