Applicants may upload official transcripts into My Educator Profile beginning Feb. 27

Educators who need to provide official university transcripts for their licensure requests will be able to submit these transcripts electronically within their licensure applications, once this enhancement is live on Friday afternoon, Feb. 27. Educators will need to upload their transcripts in PDF format during step 3 of the application or they may upload them in the My Documents section of My Educator Profile.
Please check that the license effective year is correct

When submitting licensure applications, some educators fail to apply for the correct effective year – a mistake that e-signers can correct before processing these applications. If the applicant needs the credential to teach now, they should make sure that 2014-2015 is selected as the effective year. If it is not designated correctly when the e-signer receives the request, he or she may simply click on the drop-down arrow next to the Effective Year and select 2014-2015. Approved credentials with this effective year will be valid when issued. Credentials issued with the 2015-2016 effective year will be effective beginning July 1, 2015.

Substitute License

http://education.ohio.gov/Topics/Teaching/Educator-Licensure/Audiences/Substitute-Licensure

One-Year or Five-Year Substitute Teaching License (New or Renewal)
Qualified individuals may receive either a one-year or five-year substitute teaching license upon the request and recommendation of:

- An employing superintendent of an educational service center or a city, local, exempted village or joint vocational school district; or
- The governing authority of a chartered nonpublic school or community school.

Background Checks

Where do I send the results of the background check?
Licensed educators and applicants for ODE licenses, certificates and permits, need to have the results sent to the Ohio Department of Education. Please tell the agency you use to send the results to ODE.

What happens if there is a delay in ODE’s receipt of the background check results from BCI?
ODE will hold applications for a maximum of 180 days to allow sufficient time for receipt of background check results.

Can I send ODE a paper copy of my background check?
No, ODE cannot accept paper copies of background checks. ODE is required to use the background checks sent and reported electronically by BCI.

Validity Period

How often do I need to complete background checks for Ohio educator licensure?
Ohio law requires that all individuals must have a baseline BCI and FBI criminal background check at the time they apply for their first Ohio educator license, certificate or permit, and those checks must be no older than one year (365 days) at the time they are used for initial licensure.
If an individual then resides continuously in Ohio, he or she does not need to update the BCI background check, but must obtain an updated FBI check once every five years.
If an individual lives outside Ohio at any time during the five years after obtaining a BCI check, then both background checks will need to be updated.

How do I look up when my background checks expire?
You may look up the date of your most recent background checks while completing an application for any educator license through the My Educator Profile tool within ODE.CORE. This is accessible through your SAFE account.

I had my background checks done recently for another job; can I have those results sent to you?
If the BCI results are less than one year old, you may have them sent by the Bureau of Criminal Investigation (BCI) to ODE for use in considering your licensure application. Contact BCI at 877-224-0043.
