

UTILIZING OUR PAST TO STRENGTHEN OUR FUTURE

Dear Alumnus:

We would like to introduce you to an exciting new program called the Muskie Mentor Program.

This program will enable current Muskies to benefit from the expertise that you have gained from your real-world experiences. We believe this type of interaction will translate into valuable tools that extend beyond classroom preparation, and help our Muskies gain an edge in the competitive market.

And what is in it for you? It's a chance to share your personal and professional growth while making your Alma Mater a stronger institution through your involvement.

In addition, we hope you build relationships with aspiring young professionals who will learn from you, and could even prove to be a quality candidate for your company, business, schools, church, or other organization.

What does a Muskie Mentor do?

He or she welcomes interviews, job shadowing, or visits from current Muskies to discuss career options.

What type of information would I share with a student?

You would talk about some of the advantages and disadvantages of your occupation and would answer the questions of students who are investigating various career opportunities.

How do I become a Muskie Mentor?

Simply fill out, tear off and mail the informational portion of this brochure and we will contact you.

MUSKIE MENTOR

- ▶ Reconnect with your past through Muskingum's future
- ▶ Make a difference in the lives of future alums
- ▶ Take time to express what is important about your career
- ▶ Give current Muskies valuable advice on succeeding in the first stages of their career
