## Education Department Survey

1. Please check any/all of the following options in which you might have an interest:

\_\_\_ serving on an advisory committee for consideration of new initiatives

\_\_\_ serving as an intern or mentor to graduate students in education

\_\_\_ participating in a professional learning community book study group on a current educational topic (credit could be arranged if necessary).

\_\_\_ serving as a resource to Teacher Education Department as a guest panelist / presenter for classes.

\_\_\_ other

***Please use the following rating scale to respond to the next group of questions:***

*1 = no interest; 2 = limited interest; 3 = some interest; 4 = substantial interest; 5 = very high interest*

2. If Muskingum were to establish a doctoral program in education, the interest I think regional people might have in the program would be:

1                      2                      3                      4                      5

3. If Muskingum were to establish a doctoral program, the interest I personally would have in considering such a program would be:

1                      2                      3                      4                      5

4. If Muskingum were to establish a licensure procedure for the \_\_\_ *superintendency* or \_\_\_ *principalship*, the interest I think regional people might have in the program would be:

(Please check either or both superintendency or principalship)

1                      2                      3                      4                      5

5. If Muskingum were to establish a licensure program for administrative specialist for supervisory positions (i.e. curriculum director, professional development, personnel) the interest I think regional people might have in the program would be:

1                      2                      3                      4                      5
