

TRANSITIONAL PLAN FOR UPDATED BACHELOR OF ARTS IN MUSIC

Music students who entered the music program at Muskingum University prior to Academic Year (AY) 2023-2024 may complete the major according to the previous requirements, but will need to make certain course substitutions, as indicated below, since some of the previous courses will no longer be offered. Overall, the content included is analogous, but the structure of the courses is changing.

Music students who entered the music program in AY 2022-2023 are encouraged to switch to the new requirements, starting with the suggested second year of the program. If they do so, the MUSC 101 requirement will be waived.

Music students who enter the music program in AY 2023-2024 and beyond will complete the major according to the new requirements.
