

COVID-19 Testing Information

WHAT DO YOU NEED TO DO?

Exemptions

- If you received the Johnson & Johnson vaccine prior to April 19, you do NOT need to test. Please submit a copy/photo of your vaccine card using [this link](#).
- If you received the SECOND dose of the Moderna or Pfizer vaccine prior to April 19, you do NOT need to test. Please submit a copy/photo of your vaccine card using [this link](#).
- If you have received the first dose of the Moderna or Pfizer vaccine or the second dose of Moderna or Pfizer on or after April 19, you must still be tested.
- If you tested positive for COVID-19 on or after February 3, 2021, you are exempt from testing. Please notify Holly Gleason at hgleason@muskingum.edu.

If you do not meet the conditions for exemption:

1. [Register with the University](#).
2. [Click to schedule your appointment time](#).
3. [Click to complete the MAKO Lab registration](#) (see instructions below).
4. **PRINT** your MAKO lab requisition form and bring it to your testing appointment. *The form must have a bar code in the top, left corner (see instructions below).*
5. Maintain a [Contact Tracing Log](#) starting on May 1 and until you receive your test results.
6. Continue to limit your close contacts as much as possible, practice good pandemic hygiene, and wear your face mask.

Test Results

- Test results are usually received 48-72 hours after the testing date.
- The Wellness Center will contact you if you test positive. You are expected to answer their call.
- Negative results will be sent via an email with a link for you to access your results.

All other questions about the testing procedure should be submitted through [this form](#).

INSTRUCTIONS TO REGISTER WITH MAKO LAB
