HANGING TAG – PERMIT PARKING MAP

QUICK REFERENCE

GRADUATE AND MAP STUDENT PARKING REGULATIONS

Muskingum University Police

Muskingum University welcomes you to our beautiful campus, which has been designed as a walking campus for everyone to enjoy. For this reason, having a parking permit does not guarantee availability of a parking space in the immediate vicinity of your residence, class or office/workplace; however, ample parking exists on the perimeter of the campus, making it accessible to all. The responsibility for finding a permissible parking space lies with the vehicle operator. Inability to find a permitted parking space will not be accepted as justification for violating any of the enforced parking regulations.

There Is No Parking Anytime In The Following Areas

In any designated fire lane
In front of or along the side of a fire hydrant
In or adjacent to construction/work area or entrance
On any campus roadway
On the side of any campus roadway
In any visitor's parking space
In any driveway/loading area
In handicap areas without a pass
So as to create an open and obvious hazard
On any grass or unpaved area
In any faculty/staff space
On any sidewalk, path or crosswalk
15-minute parking in excess of 15 minutes
In designated reserve spaces:
 EMTs
 Faculty/Staff
 Maintenance
 Residence Life Staff
 No parking
 Handicap areas without a pass

Vehicles parking in these areas will automatically be TICKETED, TOWED, and/or BOOTED.

Graduate and MAP Parking

All students are required to have a valid hanging tag displayed hanging from their inside rear view mirror to park on campus.*

Parking tags are available, free of charge, to all graduate and continuing studies students. For information on parking tags and parking restrictions contact Campus Police at 826-8155

Students may park in any commuter lot indicated on the attached map. Students here for summer sessions may also park in the southern half of the second tier of the faculty lot as indicated on the map. (Directly behind lower level of Caldwell Hall.) Only summer session students are permitted in that area.

During the Fall and Spring terms, you may park in the commuter lots during the day and anywhere in the Cambridge lot after 5 p.m and on weekends. Exceptions would be the loading zone behind the BOC (painted in red) and any handicap space (unless you have a state or University issued handicap parking pass). See the map.

Students needing temporary handicap parking may obtain a temporary handicap sticker from the Campus Police office. A note from a doctor indicating the need is required.

You may not park in visitor parking in front of Montgomery Hall and the Library.

Commuter Lots Consist of the Following:

**The bottom tier of the Cambridge lot
Stag/Ulster lot
Circular lot next to the University Lake east of the football field
Methodist Church lot *You may not park in this lot on Sundays.**

Towed/Booted Vehicles Owners or operators of a vehicle towed or booted for enforcement purposes will be subject to a \$100.00 tow/boot fee in addition to the fine imposed for the violation (as well as any accrued storage fees).

Vehicles parked on campus must have valid license plates displayed and be covered by insurance as required by the state of Ohio.

Parking ticket appeals may be made through the Graduate Office.

*All old Graduate window stickers from previous years will be honored.
