

Ohio Public School District Numbers

Below is a list of the identification numbers of all public school districts in Ohio. Enter on the front of the form the number of the school district where you lived for the majority of 2006. Each district is listed under the county or counties in which the school district is located. Do not use nonpublic or joint vocational school districts. **Nonresidents should use 9999.**

An asterisk (*) indicates school districts (printed in red) with an income tax in effect for 2006. If you lived in one of these school districts for all or part of the year, **you are required to file** a school district income tax return, form SD 100.

If you do not know the public school district in which you live, please use *The Finder* at tax.ohio.gov.
