

**Delta Dental PPO (Point-of-Service)
Summary of Dental Plan Benefits
For Group# 0823-0001, 0099
Muskingum University**

This Summary of Dental Plan Benefits should be read along with your Certificate. Your Certificate provides additional information about your Delta Dental plan, including information about plan exclusions and limitations. If a statement in this Summary conflicts with a statement in the Certificate, the statement in this Summary applies to you and you should ignore the conflicting statement in the Certificate. The percentages below are applied to Delta Dental's allowance for each service and it may vary due to the dentist's network participation.*

* When you receive services from a Nonparticipating Dentist, the percentages in this column indicate the portion of Delta Dental's Nonparticipating Dentist Fee that will be paid for those services. The Nonparticipating Dentist Fee may be less than what your dentist charges and you are responsible for that difference.

- Oral exams (including evaluations by a specialist) are payable twice per calendar year.
- Prophylaxes (cleanings) are payable twice per calendar year.
- People with specific at-risk health conditions may be eligible for additional prophylaxes (cleanings) or fluoride treatment. The patient should talk with his or her dentist about treatment.
- Fluoride treatments are payable twice per calendar year for people up to age 19.
- Bitewing X-rays are payable once per calendar year and full mouth X-rays (which include bitewing X-rays) are payable once in any three-year period.
- Sealants are payable once per tooth per lifetime for the occlusal surface of first permanent molars up to age nine and second permanent molars up to age 14. The surface must be free from decay and restorations.
- Composite resin (white) restorations are Covered Services on posterior teeth.
