The background of the entire page is a photograph of several flags on a campus. The flags are bright pink with large, bold black geometric patterns, possibly representing a school or organization. They are flying from poles against a backdrop of lush green trees and a clear sky. The lighting is bright, suggesting a sunny day.

TRADITION

...of inspiration

the active and open-minded discussion and learning that have been the center of a Muskingum education for almost two centuries have imbued our students, alumni, faculty and staff with a wealth of inspiration.

From the President and the Board of Trustees

Dear Alumni and Friends,

Muskingum has a rich history filled with tradition – none more significant than the Muskie spirit that results in the generosity and support we receive from you year after year. Your support inspires us to continue to enhance our teaching, our campus and our community.

The past year has been one of accomplishment accompanied by a deep sense of gratitude. With the ongoing success of our campus building initiatives, our students have access to classrooms and laboratories that feature advanced technology to enhance their learning experience. With more than 44 academic majors at the undergraduate level and three graduate degree offerings, Muskingum provides a rigorous academic environment where students and working professionals can expand their knowledge and broaden their perspectives to see and serve the world in new ways.

As we look ahead to the New Year, Muskingum will celebrate a milestone – 175 years of educating a community of learners. Throughout our history, we have stayed true to our mission of educating students intellectually, spiritually, socially and physically – a tradition that is a golden thread woven through the fabric of our culture. We have provided a solid educational foundation that has developed generations of leaders, and with your ongoing support, there will be many more generations of Muskies in leadership roles for years to come.

At Muskingum, the future is bright. As we reflect on a history rich with traditions and academic excellence, we are deeply grateful to you for your encouragement and support.

Sincerely,

Anne C. Steele

Demetrios Lignos '64

Demetrios Lignos has changed the world through his pioneering technological innovation and has enhanced the lives of others through his dedication to service.

He is known internationally as the “father of Digital Linear Tape” (DLT) for his 1984 breakthrough invention for Digital Equipment Corporation. DLT changed the nature of computer data storage and retrieval, opening new opportunities for technological applications and economic growth. It quickly became the industry standard for backups of essential files and remains the standard for transferring original content to DVD format for commercial replication and distribution of motion pictures, music, and other media content.

During his distinguished forty-year career, Mr. Lignos held principal roles in engineering design, technology, and product development at industry-leaders Digital Equipment Corporation, Quantum Corporation, Maxtor Corporation, and InPhase Technologies. He was responsible for the development of more than a dozen major computer peripheral and data storage products, guiding them through creation, testing, manufacturing, marketing, sales, and adoption by customers worldwide.

Mr. Lignos has received numerous electronics design and engineering honors, including the coveted “R&D 100 Award” recognizing the most technologically significant new products. He is a prolific author of technical articles and conference presentations.

He earned his Muskingum Bachelor of Science degree in Physics with a Mathematics minor, and received a Muskingum University Distinguished Service Award in 2009. He also holds a Master of Science degree in Engineering Science from the University of Toledo and a Master of Business Administration degree from the University of New Hampshire.

An accomplished boater, he holds the highest level of boating education certification from the United States Power Squadron and teaches marine electronic courses to fellow boaters. He is a visitor guide at the Mote Marine Laboratory and Aquarium, and is active in many church, civic, and cultural organizations.

He and his wife Raynette Lyons Lignos '64 reside in Lakewood Ranch, Florida. They are the parents of Theodore (Ted) Lignos.

Marshall C. Phelps, Jr., JD '66

Marshall C. Phelps, Jr. has created an eminent global legacy in the field of intellectual property policy in the information age. His pioneering licensing strategies have reshaped the landscape of intellectual property, entrepreneurship, and innovation and have generated unprecedented economic development.

His distinguished career began with IBM, where he served for twenty-eight years. As Vice President of Intellectual Property and Licensing during the 1990s, he oversaw a portfolio of more than 40,000 patents and trademarks, and applied innovative licensing strategies to transform what had historically been a costly legal overhead function into a \$2 billion annual profit center. He also served IBM as Director of Government Relations in Washington, DC and as Vice President of Asia Pacific Operations in Tokyo.

Mr. Phelps served Microsoft Corporation for eight years as Corporate Vice President of Intellectual Property Policy and Strategy. Under his leadership, Microsoft emerged as one of the world's largest intellectual property companies, with more than 60,000 patents and applications and extensive copyright holdings and trademarks.

Currently, Mr. Phelps is an Executive Consultant to enterprises around the globe and advises the National Academy of Science as a member of its university-related intellectual property committee. He is a founding partner of Intellectual Ventures, the largest acquirer of patents worldwide, and serves on five corporate boards of directors.

His critically-acclaimed book, Burning the Ships: Intellectual Property and the Transformation of Microsoft (2009), focuses on the ways intellectual property generates new business opportunities. He has shared his expertise as a visiting professor at leading business, law, and engineering schools including those of Cornell University, Duke University, the University of North Carolina, and the University of California at Berkeley.

Mr. Phelps has received many honors and awards, including election to the inaugural class of the Intellectual Property Hall of Fame in 2006. He earned a Bachelor of Arts degree from Muskingum, a Master of Science degree in Advanced Management from Stanford Graduate School of Business, and a Juris Doctor degree from Cornell University School of Law.

He established a distinguished practice as an infectious disease specialist and was on the faculty of the University of Kansas Medical School for more than thirty years. He served the Kansas City Veterans Administration Hospital with distinction for twenty-two years, including nine years as Chief of Staff.

Upon retirement, he joined the Health Partnership Clinic of Johnson County as a volunteer physician, extending medical care to those in need in his community.

Mr. Leitch was a 1935 graduate of Muskingum and long-time trustee of his beloved alma mater. While a student at Muskingum, he met Grace Ranson '36, whom he married April 11, 1941.

After graduation, Mr. Leitch began his employment at the Union National Bank of Pittsburgh (UNB), which was the start of a 45-year banking career. He retired in 1980 as Vice President, Trust Administration.

Mr. and Mrs. Leitch remained closely associated with Muskingum throughout their lives. Mr. Leitch served as president of the Alumni Association and on the Board of Trustees. He was active with the Alban alumni and participated in the development of Fraternity Circle. For over 50 years, they rarely missed a homecoming or reunion weekend, and participated in countless other projects at Muskingum. When delivering the keynote speech at a Heritage Day Dinner in 1993, Mr. Leitch noted that his Uncle Jim first attended Muskingum in 1897, Grace's father and uncle in 1904, and by 1993 he and Grace could name over 75 members of their extended families who were Muskingum graduates.

Mr. Leitch's service to the community included being a board member of the Coalition for Christian Outreach, and he served on their executive and development committees. He was also a lifelong supporter of the United Presbyterian Church.

After retiring to Punta Gorda Isles, Florida, they became charter members of Burnt Store Presbyterian Church, where Mr. Leitch served on the original steering committee, was an elder and church treasurer. He was on the board of the Southwest Florida Presbytery Foundation, a member of the Presbytery's Transitional Task Force and the Capital Funds Committee.

Mr. Leitch is survived by his son, Donald R. Leitch of Punta Gorda; his daughter, Jerilyn Leitch Ryder '74 and her husband, John Ryder '73 of Germantown, Tennessee; Chari Stanley-Leitch of Punta Gorda, five grandchildren and three great-grandchildren. In addition to his parents and 5 siblings, George was predeceased by his wife Grace Ranson '36 Leitch in 2008 and his son Richard W. Leitch '72 in 2007.

In Memoriam

Miriam Schwartz, PhD

Muskingum University Trustee – 1987-2010

Muskingum University Trustee Emeritus – 2010

Dr. Miriam Schwartz was a dedicated philanthropist and faithful Muskingum University trustee.

Dr. Schwartz immigrated to the United States from Ukraine in 1935 as a young girl with her parents. They settled in Cambridge, OH where she completed high school and went to Ohio State University where she majored in chemistry. During World War II, while her husband Stanley was stationed in India, she worked at Chemical Abstracts.

When their three young children went to school she returned to school to study Russian Literature and eventually earned her PhD in Slavic Languages and Literature.

Dr. Schwartz was also a dedicated activist and volunteer. She organized efforts to support the State of Israel through Women's American ORT and joined in several political campaigns, including that of President Jimmy Carter, who visited her home during his 1976 campaign. Her passion for the arts was displayed in her early and long-time dedication to BalletMet, where she served as a Trustee for 25 years. She joined the Muskingum Board of Trustees in 1987 and served faithfully for 24 years.

Her community involvement was not limited to her home in Ohio. At her home in Florida, Dr. Schwartz joined the boards of several organizations, including, the Palm Beach Jewish Federation, Morris Geriatric Center and the Commission on Jewish Education of Palm Beach County.

Dr. Schwartz was preceded in death by her husband, Stanley. She is survived by her three sons and eight grandchildren.

1961 50TH REUNION CLASS GIFT

Alumni weekend this year was also the very special milestone 50th Anniversary for the Class of 1961.

The Reunion Committee—Dave Ghen, Nancy Spencer Hobe and Sandy Wolfe Thompson—presented President Anne C. Steele with a gift of \$1,781,765 for the university.

During the presentation, Thompson addressed the luncheon attendees and thanked all of the members of the Class of '61 for their generous and dedicated support. She also issued a challenge to the upcoming 50th reunion classes to break this new record of class giving in support of their beloved alma mater.

Pictured above from left to right are: Dave Ghen '61, Sandy Wolfe Thompson '61, President Anne C. Steele, Gordon Litt '80, and Hal Burlingame '62.

The presentation of the Class Gift was just one event of the weekend honoring the golden jubilee of 1961.

In Memoriam

Gerald L. Draper, JD '63

Muskingum University Trustee 1988-2011

Gerald Draper was a Muskingum University trustee, a member of the Alumni Council, national chairman of the Annual Fund and a 2004 recipient of the Distinguished Service Award, the university's highest alumni honor.

Following his graduation with honors from Muskingum, Mr. Draper earned his law degree from the Northwestern University School of Law in 1966. He was admitted to practice in both the state and

federal courts of Ohio, beginning a long and distinguished career in the legal profession. Mr. Draper was a partner in the Columbus Law Firm of Roetzel and Andress.

In 1982, Mr. Draper was elected president of the Columbus Bar Association and in 1984 was elected president of the Columbus Bar Foundation. In 1990, he was selected by attorneys throughout the state to serve as president of the Ohio Bar Association. In addition, he was involved in more than 20 other legal organizations and associations.

Mr. Draper was named as one of The Best Lawyers in America, for business and personal injury litigation. In 2003, he was honored as one of the finest attorneys in Columbus. He also was named one of Ohio's "Super Lawyers," a distinction conferred upon only the top five percent of attorneys in the state.

In the community, Mr. Draper served in a wide range of leadership positions with the Reynoldsburg United Methodist Church and the Wesley Glen Retirement Center in Worthington.

Mr. Draper is survived by his wife, Barbara Winter Draper '63, two children and their spouses and numerous grandchildren.
