

Muskingum University is committed to supporting students' success and helping them remain enrolled and on track each semester. To ensure continued access to classes, housing, and dining services, students are expected to meet their financial responsibilities, including tuition, fees, housing, and dining, by the University's published payment deadlines.

Students living on campus must also have their accounts in good standing before moving into or returning to their residence halls.

To maintain an active class schedule and campus housing assignment, traditional undergraduate students must:

- Reduce prior semester balance to **below \$1,000**, or
- Enroll in an **approved payment plan**

by the published due date (e.g., August 1 for Fall semester and January 2 for Spring semester), which falls prior to the start of classes.

These requirements also apply to residence hall occupancy.

Students who do not meet these deadlines may experience changes to their registration and campus services.

1. **If Payment Requirements Are Not Met**

If satisfactory payment arrangements are not in place by the deadline, the following actions may occur:

- a. Class registration cancelled
- b. On-campus housing revoked
- c. Dining/meal plans cancelled

2. **Satisfactory Payment Arrangements**

The following options meet University requirements (after all anticipated financial aid is applied):

- a. Payment in full
- b. Enrollment in an approved payment plan and current on all scheduled installments
 - i. For questions regarding setting up a payment plan, please contact the Student Accounts Office at 740.826.8111.

3. **Re-Registration After Cancellation**

If class registration is cancelled due to non-payment:

- a. The outstanding balance must be paid in full before the student can re-register.
- b. Students are responsible for rebuilding their schedules.

4. **Additional Considerations**

- c. Overall account standing and payment history

These factors help staff make fair and individualized decisions regarding continued enrollment.
