An important part of the testing is receiving your results.

You can have it emailed to you (select yes) or mailed (select no). Make sure to download and save when you get it. It might be worthwhile to print a copy and put in a safe place. To order duplicate results can be costly.

The other important part of getting the results is to make sure Muskingum gets them as well. Under the Educator Training, type in Muskingum, select when it pops up in the list and add.

You also have the option to send results to another university. This is completely up to you. You can leave it blank. Select next.

Admission Policy

It is recommended that you arrive at the test center 15 minutes before your scheduled appointment time. This will give you adequate time to complete the necessary sign-in procedures. Please be prepared to show proper identification: one piece of current, government-issued identification printed in English, in the name in which you registered, bearing your photograph and signature. Copies will not be accepted. Acceptable forms of government-issued identification include photo-bearing driver licenses and passports. The Department of Motor Vehicles provides acceptable photo-bearing identification cards for individuals who do not have a driver's license. If the name on your identification differs from the name in which you registered, you must bring official verification of the change (e.g., marriage certificate, court order).

If testing outside of the United States, you must present an unexpired Passport as your government issued identification.

Please be advised that prior to testing you will be photographed and a palm scan may be taken at the test center. During testing you may be monitored by video and audio recording.

If you arrive more than 15 minutes late for your exam appointment and are refused admission, you will not receive a refund.

Helpful hints:

- When you select your appointment time, double-check the time format and time zone to avoid confusion, as some exams support delivery nearly 24 hours a day. For example, depending on the time format you prefer, note whether you have chosen an early morning (1:00 AM) or midday (13:00 or 1:00 PM) appointment.
- Time format and time zone display use default settings but can be adjusted to your personal preference.
