Overview

This manual covers common tasks in the OhioLINK Electronic Theses and Dissertations (ETD) Center for creating and submitting for an ETD. There is a Troubleshooting and Tips section at the end of this document. Please first contact your local ETD Administrator contact if you need any help or have submission questions.

Account Set-up and Log-in

Creating an account

Go to <http://etdadmin.ohiolink.edu> and click the hyperlink “New User Register Here!” in the lower left of the login box.

The image shows the OhioLINK ETD Center login page. At the top is the OhioLINK logo, which includes a red outline of the state of Ohio and the text "OhioLINK". Below the logo is the text "ETD Center". There are two input fields: the first is labeled "your full email address" and the second is labeled "your ETD password". Below these fields is a blue "Login" button. At the bottom of the page, there are three links: "Forgot your Password?", "New User Register Here!", and "Frequently Asked Questions". At the very bottom, it says "Release 3.2.10".

Select “Submitter/Student Account” and the page will reload with the contact information form.

The image shows the "New User Registration" form. The title "New User Registration" is in a blue header bar. Below the header, the text "Please select the type of account you are creating:" is followed by two radio button options: "Submitter/Student Account" and "Institution Administrator/Reviewer/Batch Uploader Account". At the bottom left is a "Cancel" button, and at the bottom right is a green "Save and Continue" button with a star icon.

Complete the form, scrolling down to the end, then click “Save and Continue”. Required fields are marked with a red asterisk.

Any information provided is subject to editing or removal by your school if it is found to be incomplete, incorrect, or otherwise inconsistent with school policies.

Before submitting your ETD, please read our Frequently Asked Questions sections on ["When will my ETD be published? Can I delay publication?"](#) and ["Can I publish a book based on my ETD?"](#)

Papers published on this site will be available for download over the Internet, and will be indexed by major search engines, including **Google, Yahoo, Bing**, and others.

- You acknowledge and agree that you have used best efforts to comply with your institution's applicable accessibility standards for ETDs. (Added January 31, 2023)

I represent and warrant that **THE THESIS OR DISSERTATION AND ITS ABSTRACT ARE MY ORIGINAL WORK**, do not infringe or violate any rights of others, and that I make these grants as the sole owner of the rights of my thesis and dissertation and its abstract. I warrant that **I HAVE OBTAINED ANY NECESSARY PERMISSION FROM THE OWNER(S) OF EACH THIRD PARTY COPYRIGHTED MATTER** to be included in my thesis or dissertation, and that such third party owned material is clearly identified and acknowledged within the text or content of the document. I acknowledge that OhioLINK and my school will not distribute my thesis or dissertation or its abstract if, in their reasonable judgment, they believe all such rights have not been secured.

I acknowledge that I **RETAIN OWNERSHIP RIGHTS TO THE COPYRIGHT OF MY WORK**. I also retain the right to use all or part of this thesis or dissertation in future works (such as articles or books).

Previewing your ETD

On the “Review” page, there is a “Preview ETD” button that opens a new tab to show how your ETD will appear on the public ETD Center once it is published. Any requested delays are only requests at this time so the “Files” box does not represent what it will look like when published; if your delay is approved, then the release date will be shown but if not then the file(s) will be available there instead.

If the “Submit My ETD” button is missing from the “Review” page, go through each page to ensure that nothing required was left blank. The easiest way is to click the green checkmark above the word “Agreement” then clicking “Save and Continue” through the submission form.

You can scroll down the page of the form, but the system will not allow you to proceed to the next page if a required field needs to be completed. If you try to go to the next page with required fields empty, a pop-up box will appear to remind you and the form will update with little notes below the required fields of what information is still needed.

Quick Links

When logged into the ETD Center, once your ETD is published, the “Quick Links” section on the homepage will include a link to your ETD. Click on “View your published ETD in the OhioLINK ETD Center” to open a new tab to your published ETD.

Searching the public ETD Center

Published ETDs are available on the [public ETD Center](#). The homepage search box searches information about your ETD (known as metadata) as well as the full text. Searching by accession number for your ETD is the best way to find it. However, general searching (portion of the title, your name, and/or specific keywords) works too but maybe return other ETDs in the results. When you find your published ETD, click on the title to view your ETD's page.

Example ETD: subtitle

Example, Name

Permalink: http://rave.ohiolink.edu/etdc/view?acc_num=jcu1719323218468522

Use the “Permalink” when sharing your ETD with others or linking to it on another website or your resume, etc. The permalink is the official link to your ETD's page in the OhioLINK ETD Center and should always be used when wanting to link to your ETD.

Troubleshooting and Tips

Local ETD Administrator contact information

Each institution has an ETD Center Administrator as the main contact for questions and issues with ETDs and the submission process. Find your institutional contact on the [OhioLINK ETD Admin roster page](#).

Changes to a published ETD

For questions or requests concerning making changes to a published ETD, contact your institution's ETD Center Admin. This includes delay/embargo requests or extensions, takedowns, and edits.

Avoiding duplicate ETDs

Make sure to edit and change the same submission form for your ETD, especially when it is returned to you. There is no need to make a new one for the same ETD. This keeps your submission homepage less cluttered and confusing.

Permalink for sharing ETD

Once published, your ETD will have its own permalink that goes directly to your published ETD in the [public ETD Center](#). Use this permalink for sharing or linking to your ETD. For more information, see the View a Published ETD section in this manual.

When to contact OhioLINK

In general, always start with contacting your local ETD Administrator about all questions, issues, and requests. If you still have issues with the system itself, such as logging into the ETD Center, feel free to [email OhioLINK](#).
